

Recently named one of Asia's Top 10 Women in IT, Dr. Meadows leads a Design Thinking & Innovation Center at a Forbes Top-20 International Business School, creating growth initiatives at the intersection of IT, business strategy, and design. Her research, consulting, and coaching focuses on Leadership & Creativity. She co-founded an Advanced Technology Think Tank & Tinker Lab, envisioning the Future of Work and Education, applying AI, biometrics, and other advanced technologies to human L&D. She holds a Doctorate in Business Administration & IT from Harvard Business School and has over 20 years' experience in Asia, Europe, and North America as a consultant, coach, entrepreneur, dot-com builder, innovation lab co-founder, and Accenture IT & Business Strategy consultant. She is also Chairman & Co-Founder of The Tiger Center, a groundbreaking social enterprise in central India, and was a CPA and CMA. She has designed and delivered executive education independently and with top business schools like INSEAD, AIM, NUS, and SMU.
